Christ sermon on the mount which is also called “The Beatitudes“ was a sermon and is still a sermon which everyone who want to live a happy life now and eternity, suppose to let the message ring bell in their hearts every time. The message is full of exhortations and warnings to the hearers and the readers in our days as it was for those of old. The sermon is a kingdom message for the kingdomcitizens.

None will find happiness in this world or in the next, if you do not seek it from, Christ by the rule of his word. Christ teaches us what is the evil we should hate and what is the good we should seek and abide in. Our saviour gave here, eight characters of blessed people which shows us the principal grace of a Christian.

Jesus proceeded to demonstrate the wisdom of the kingdom by teaching and preaching. Those who are gathered by the manifestation of kingdom power must be taught and established by kingdom wisdom. Otherwise they tend to become fanatics, unstable, unproductive and offensive in the kingdom. What Jesus did is a lesson to all servants of God to present sound teaching to their hearers. Likewise the hearers should also be the doers of what they are taught which will enable them to live a happy life and see the kingdom. May the Lord open our eyes and ears and give us the spirit of understanding to obey all what we hear in the church in Jesus name! Amen!!!
